

New Office Collaboration Room-as-a-Service Suite

Accelerate Return to Office with transformational Visual Collaboration workspace solutions

With the latest trend of Return to the Office, a demand for video collaboration solutions for small meeting rooms and huddle spaces has increased.

Our Office **Collaboration Room-as-a-Service** is an integrated solution with hardware, software and services delivered with a flexible consumption model to support your organization's experience when returning to the office.

With more than 30 years of deploying collaborative office environments, NWN Carousel has built a new easy to adopt visual collaboration suite with low fixed monthly payments and the ability to refresh technology at end of term.

Our next-generation room solutions, along with NWN Carousel Professional Services, offer optimized integration for Cisco Webex, Microsoft Teams or Zoom. As an outcome, you can collaborate as if you were in the same room without compromising quality!
