

NWN Carousel Delivers Unified Communications to South Carolina

In South Carolina and throughout the country, the pandemic has forced public agencies to rethink their approach to hybrid work. As the leading Cloud Communications Service Provider (CCSP), NWN Carousel enables state and local governments to fully realize the benefits of work from anywhere.

Our newly awarded South Carolina statewide contract for VOIP, Contact Center and IVR services: Contract # 4400030155 will deliver modern integrated and secure communication services to the residents of South Carolina.

Under the terms of VOIP, Contact Center & IVR contract, NWN Carousel will:

- **Connect** remote workers with unified communications for maximum productivity
- **Transform** hybrid workforce with IT support, networks and devices
- **Enable** omnichannel support with AI-powered, integrated cloud contact center solutions
- **Simplify** operations and gain deeper insights with analytics
- **Adoption and Change Management** is a critical component of any successful Cloud Communications migration. NWN Carousel's people-centric approach reduces implementation risk to ensure outcomes. More importantly we help transform how employees think about collaboration productivity tools and accelerate the value it provides to their day-to-day job functions.
